Fund and Earn

Easy Steps

To fund your policy, kindly navigate to the "fund/invite" section and select "fund". You may proceed to fund your policy by entering the desired amount, or alternatively, by paying other policy holders who are claiming their funds.

If you choose to insert the amount, please select the plan of your preference and proceed to submit your payment. Selecting your preferred plan ensures that your funds are invested according to your financial objectives.

If you choose to pay other policy holders, please select the appropriate plan and proceed to make the payment to the provided banking details. It is important to attach proof of payment and submit your request accordingly.

At our institution, we prioritize financial transparency and accountability, ensuring that all funding processes are seamless and secure. Our team is available to assist you throughout the funding process and answer any questions you may have.

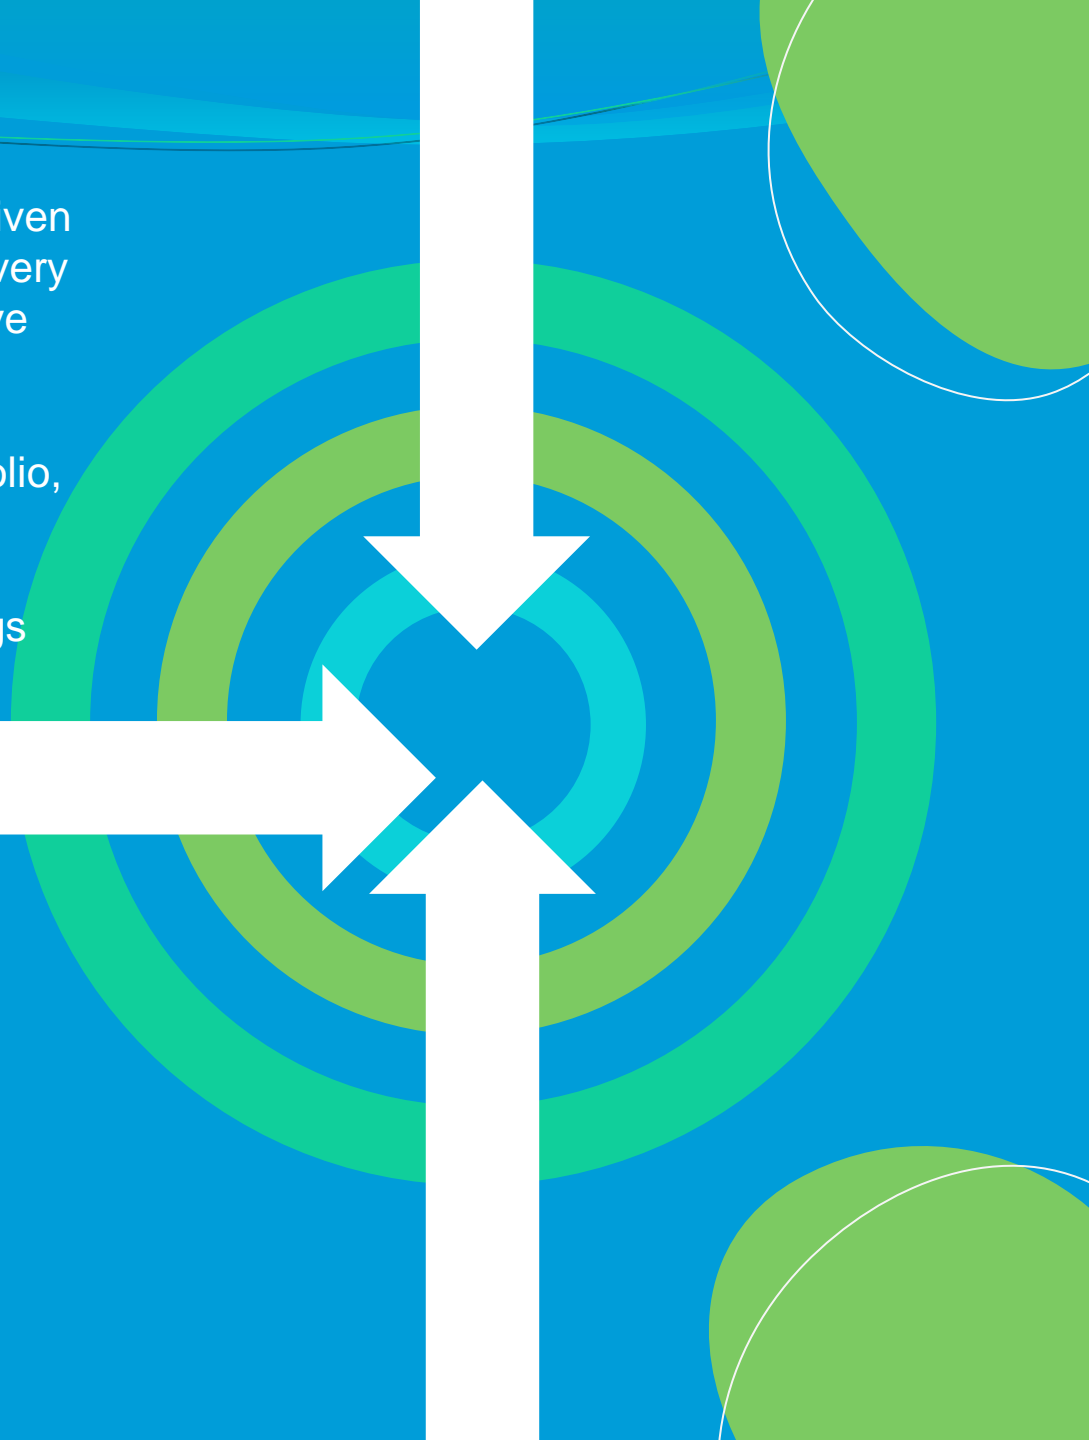

Invite and Earn

Upon selecting a duration for the challenge, participants are given a specific timeframe to complete it. As an added benefit, for every member that joins using your unique policy link, you will receive 10% of the amount they contribute to their policies.

Furthermore, if you participate in our Collective Funding Portfolio, we will add an additional 20% to the total incentives you have earned during the selected duration period. This provides a significant opportunity for participants to increase their earnings and benefit from our unique funding model.

In light of the current economic climate, collective funding has become an increasingly attractive option for entrepreneurs and small business owners who may have difficulty securing traditional financing through banks and other financial institutions

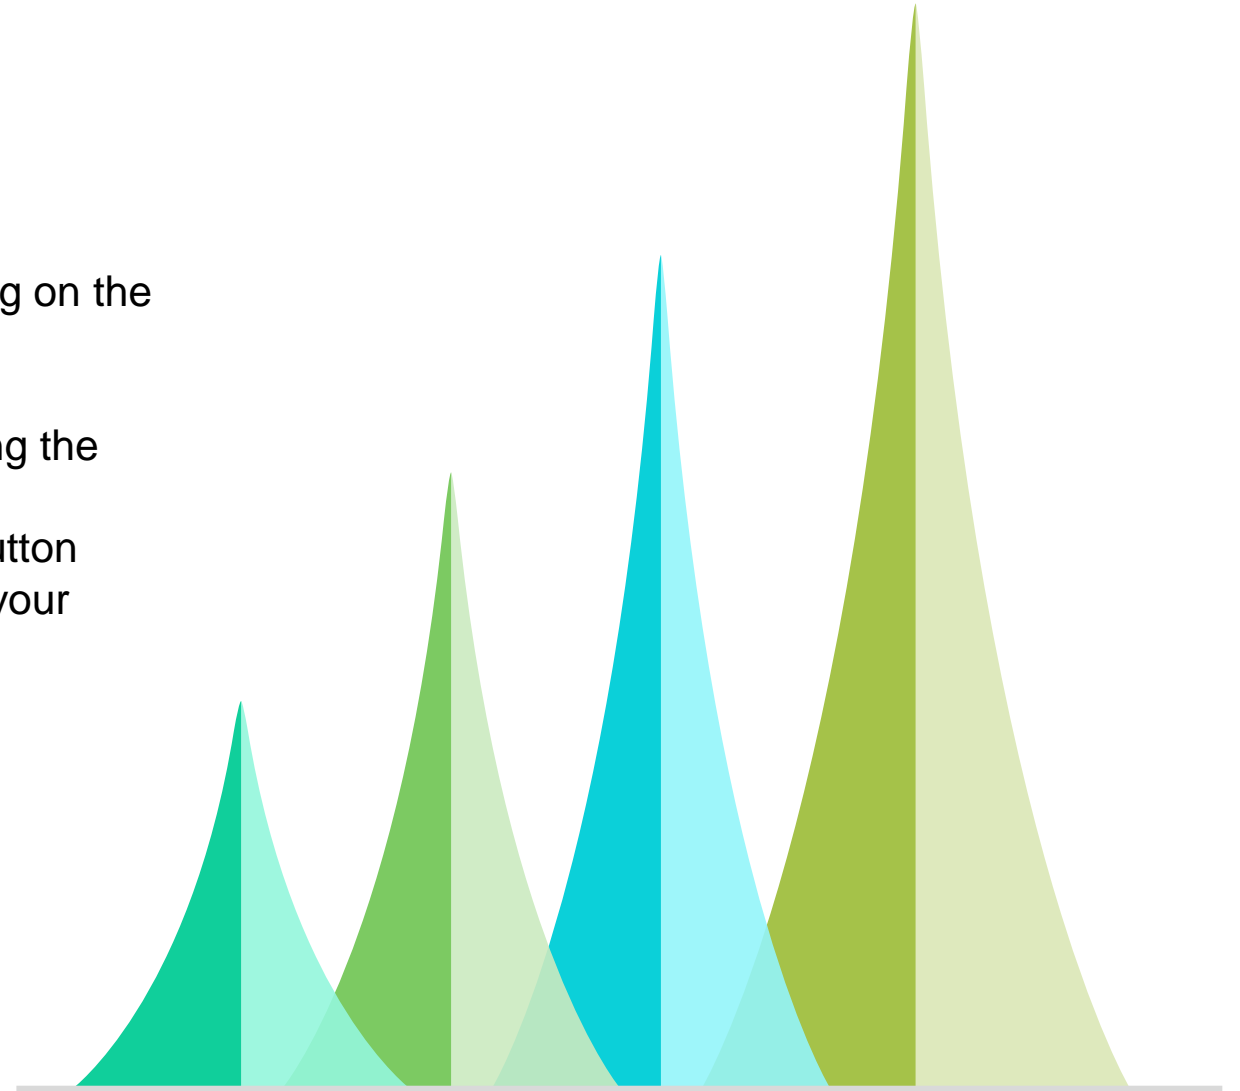

Invite and Earn
